Flexible Income Pension Plan (FIPP)

Your specialist pension provider

For more than 30 years we've provided our pension members with access to specialist pension products and services. Our focus is always on providing our customers with the right solution through a combination of pension and investment expertise, risk controls and service.

Understanding our fees

This fee schedule provides you with complete transparency over our fees. This ensures you have all the necessary information to fully understand the cost of running a plan with us, helping you to make an informed decision. Our pricing structure is designed to ensure our charges are appropriate for the risk and additional administration work associated with more complex asset classes. We normally require our customers to appoint and retain an appropriately regulated and authorised adviser, and additional fees may be incurred to cover the increased risks and costs involved if you do not do so.

Each section of this fee schedule is focused on a particular type of activity from contributing to a pension to taking benefits. It includes the details of what each fee is called, when it is charged and the amount.

Our fee schedule is divided into five sections:

	Core administration	Pages 2-3
	Investments	Pages 4-8
	Property	Pages 9-12
	Drawdown	Page 13
	Miscellaneous	Pages 14-15

Time-based charges

We apply a charge for time-based activities where we provide services outside of our standard charges. It is rare for this to happen, but when it does, we will tell you in advance of the work being done. Our hourly rate for this type of work is typically £150+VAT.

Third party costs

The plan may be liable for fees relating to work completed by other professional parties (e.g. solicitors, surveyors) on our instruction as trustee. All legal fees or other expenses that are incurred by us in relation to an account or investment transfer will be charged to you.

This fee schedule is effective from 1 February 2017 until further notice.

All fees in this schedule are shown exclusive of VAT, which will be due in addition.

To discuss the fees covered in this document, please contact your adviser or our Client Servicing team on **0844 728 9090*** or email clientservicing@hornbuckle.co.uk.

* Calls to this number will cost you 3.90 pence per minute (PPM) for landline and 22.0 PPM for mobiles, plus your phone company's access charge of up to 5.0 PPM for non-internet users.
