# Your specialist pension provider

**For more than 30 years we've provided our pension members with access to specialist pension products and services. Our focus is always on providing our customers with the right solution through a combination of pension and investment expertise, risk controls and service.**

## Understanding our fees

This fee schedule provides you with complete transparency over our fees. This ensures you have all the necessary information to fully understand the cost of running a plan with us, helping you to make an informed decision. Our pricing structure is designed to ensure our charges are appropriate for the risk and additional administration work associated with more complex asset classes. We normally require our customers to appoint and retain an appropriately regulated and authorised adviser, and additional fees may be incurred to cover the increased risks and costs involved if you do not do so.

Each section of this fee schedule is focused on a particular type of activity from opening a pension to taking benefits. It includes the details of what each fee is called, when it is charged and the amount.

Our fee schedule is divided into four sections:

**Core administration** (including set-up and contributions processing) **Pages 2-3**

**Investments**

**Pages 4-8**

**Drawdown**

**Page 9**

**Miscellaneous**

**Pages 10-11**

## Time-based charges

We apply a charge for time-based activities where we provide services outside of our standard charges. It is rare for this to happen, but when it does, we will tell you in advance of the work being done. Our hourly rate for this type of work is typically £150+VAT.

## Third party costs

The plan may be liable for fees relating to work completed by other professional parties (e.g. solicitors) on our instruction as trustee. All legal fees or other expenses that are incurred by us in relation to an account or investment transfer will be charged to you.

This fee schedule is effective from 1 February 2019 until further notice.

All fees in this schedule are shown exclusive of VAT, which will be due in addition.

This fee schedule applies to the following pension plans and forms part of their terms and conditions: Hornbuckle Mitchell SIPP, The Private Pension, The Hornbuckle Mitchell Private Pension. You can find these documents on our website [www.hornbuckle.co.uk](http://www.hornbuckle.co.uk).
